LOTTERY FUNDED

altogetherbetter

The role of a practice Health Champion involves:

- Supporting your local community and GP practice to improve health
- Helping people to access local health and wellbeing services and activities
- Representing your community and their views in regards to health and wellbeing

What You Will Gain

- New skills and experience of working with your local community
- The opportunity to work alongside health professionals and practice staff
- Increased knowledge of local health services and activities

What You Need and What We Need From You

- A friendly and cheerful disposition
- A willingness, passion and enthusiasm to help others
- To be able to give some of your time to volunteer (approximately 4 hours per week)
- To attend an information session and 2 day training course (compulsory)

Training dates: Tuesday 3rd June & Tuesday 10th June, 9.45am - 3.00pm
